

WiFi Internet Access

The hotel now offers Wifi, which allows wireless access to the Internet from a laptop computer. For delegates requiring access to the Internet, a username and password for a selected amount of time should be purchased from reception.

There are 4 periods of time available and the charges for each period are shown below and are priced per computer:

- £3.00 30 minutes
- £5.00 4 hours
- £10.00 8 hours
- £12.00 24 hours

ACCESS FOR 5 or MORE COMPUTERS

For conferences requiring five or more computers to be connected to the Internet, the following charges apply for an 8 hour period for day conferences or a 24 hour period for residential conferences:

- £20.00 5 computers
- £25.00 6-10 computers
- £30.00 11-15 computers
- £35.00 16-20 computers

For every further 1-5 computers, there is an increased charge of £5.00

This facility must be booked in advance and the number of computers, which require access, should be stated at the time of booking. Any changes to this number should be brought to the hotels attention at least one day before the event.

WIRELESS CARDS

For those laptops that do not have a built in wireless connection, a limited number of wireless cards, that plug into the laptop, are available to hire. It is essential that you reserve a card at the time of booking your conference. A deposit of £50.00 per card will be added to your final bill and then removed on the return of the card at the end of the event.
